Professional Experience

Chipotle
Certified Trainer

Huntsville, TX
August 2023 - Present

- Trained and mentored new team members, ensuring all staff maintained high standards for service quality and operational efficiency.
- Applied strong problem-solving skills to manage customer service issues and resolve conflicts in a fast-paced environment.
- Accounted for daily sales and deposits, demonstrating accuracy and reliability in handling financial transactions.
- Led end-of-shift closing procedures while coordinating with team members to maintain a smooth transition between shifts.

US Silica
Cybersecurity Intern

The Woodlands, TX
June 2023 - August 2023

- Modernized phishing awareness training by redesigning training materials to enhance employee understanding of critical cyber safety concepts.
- Gained direct experience with enterprise-grade security software suites, including InsightIDR, ServiceNow, and Mimecast.
- Shadowed the Senior Security Engineer, learning how to handle support tickets and gain exposure to confidential security operations.

- Actively monitored and researched current cybersecurity world events and emerging threats to stay informed and further education.

Chipotle

Service Team Member

Huntsville, TX

February 2022 - June 2023

- Provided excellent customer service and efficiently managed transactions, demonstrating a strong ability to work in a high-volume setting.

Burlington

Cashier & Restocker

The Woodlands, TX

May 2021 - January 2022

- Managed point-of-sale operations with precision and accuracy.
- Contributed to team efficiency by maintaining organized inventory and ensuring products were readily available.
